

California State University, Chico

Today Decides Tomorrow

The University

California State University, Chico is a fully accredited, state-supported member of a 23-campus CSU system. The university is a residential campus serving a diverse student body of approximately 16,000.

Founded in 1887, CSU, Chico offers undergraduate and graduate programs in the Colleges of Behavioral and Social Sciences; Communication and Education; Engineering, Computer Science and Construction Management; Humanities and Fine Arts; Natural Sciences; Business; and, Agriculture.

As a comprehensive university serving Northern California and other regions nationally and internationally, our first priority is the education of our students. We support the exploration of knowledge, the integration of ideas, the connecting of thought to action, and the inspiring of students. (Excerpted from the Mission Statement, 2005-2007, University Catalog.)

The Community

With a population of nearly 110,000, Chico is located in the Sacramento Valley near the foothills of the Sierra Nevadas. It is 180 miles northeast of San Francisco and 90 miles north of Sacramento and offers a reasonable cost of living compared to metropolitan areas.

Chico retains the charm of a small town while offering excellent medical services, public and private schools, and many cultural and recreational activities. The city's Bidwell Park, second largest municipal park west of the Mississippi, extends from the city center along a creek deep into the foothills and surrounding canyons.

Assistant Professor Position, Electrical/Electronic Engineering Department of Electrical and Computer Engineering

The Position: Tenure Track starting August 2010

Position is contingent on funding.

As a university that educates students of various ethnic and cultural backgrounds, we value a diverse faculty and staff. CSU, Chico welcomes applicants who are knowledgeable about and interested in working within a cross-cultural learning environment. We also welcome those who share a passion and commitment to the University's 6th Strategic Priority that focuses on sustainability, stewardship, and the environment.
