

## A Minor in Computer Engineering for Electrical Engineering Majors

Our Electrical Engineering (EE) Program has been designed such that our EE graduates satisfy the course requirements for a Minor in Computer Engineering with no additional units.

<b>Minor In Computer Engineering Requirements (page 335)</b>	
<b><u>EECE 101 (2 units)</u></b>	
EECE 110 (or 211+211L)	
EECE 135	
EECE 144	
EECE 221	
EECE 344	
EECE Upper Division	3 units
EECE or CSCI Upper Division	5 units
Total = 27-28 units
