

## California State University, Chico — Electrical and Computer Engineering Dept. Four-Year Curriculum

**2009/2011 Catalog**

**❖ BS in Computer Engineering ❖**

Students following the program below will satisfy the requirements for the Computer Engineering major as well as the General Education requirement of the University. Also required: 132 semester units; 2.0 GPA required: in major (108 units), in all CSUC EECE and CSCI- prefix courses, and in all CSUC courses.
