Daniel M

David P

Jeff

Karl

Stephen

Greg

Rob

David R

Notes Situatoin

Rob reports - approx \$200 made
\$250 more available to be sold

Part situation - David powers is parts manager

444-we are not doing

344-will not be for awhile, have not ordered, needs to go through channels

Hours will be posted,

Recruitment

Ridiculously low

Banquet - Karl has no update

Administration wants update

Companies

We need to get lots to come

Theme

Sponsors

Budget

Will be larger than last year out of pocket

Parts to be sold to the Art Department

Simple circuits

Cross-exposure

Need specific volunteers

-David R might want to do this

Robert D said to her that we will not sell the parts

Could be beneficial

Perhaps the EECE 101 class could work in tandem with them

"Sherry"

World MP3 player - Dale Word

IEEE might get involved

SPAC - David R

Working on adding people to the list

Dinner Social - Gavin
(Make your own meal)
Will get in touch

General Meeting
Give at least one week in advance
Might need gimmick
 Perhaps tournament of some kind
Need a reason to join/stay in IEEE
 Wanting to make industry connection at every meeting
First meeting will be two weeks from now (2/19)
-show how to use lab equipment

Workshops - Gavin
Matlab
Solidworks

Officer Meetings OCNL 123 from now on
