

Downloading Book Chapters

- Go to my web page:
<http://www.ecst.csuchico.edu/~hilzer/>
- Select CSCI-640 (on campus version) and then select Book Programs
- Download all files to a csci640 directory you created on an ect-unix (tiglon) machine by clicking on [usp_all.tar](#)
- Type the following at the \$ prompt:

```
$ tar -xvf usp_all.tar
```
- All chapter files will be uncompressed and located in your directory
