

Chico Science Fair Student/Parent Workshops

The Chico Science Fair, "Celebrating Science – 25 Years!" will take place during the week of **March 30, 2009** at Chico State University's Farm Pavilion, located on Hegan Lane.

Prior to the Fair, **four workshops for K-12 students and their parents** will be offered throughout this school year in preparation for the annual Chico Science Fair. Chico school students and their parents may attend one or all of the workshops.

The workshops will explain the scientific method, demonstrate the Chico Science Fair format for projects and answer questions. Visit <http://www.chicosciencefair.org> for more information about the Chico Science Fair.

The three workshops are free and are located at the sites listed below.

- **Tuesday, November 4, 2008**

Chico Country Day Multipurpose Room, 102 W. 11th Street, 7-8:30 pm.
Demonstration and hands-on science activity by CSUC OMICRON Honors Biology Club.

- **Tuesday, December 2, 2008**

Rosedale Elementary School Multipurpose Room, 100 Oak Street, 6:30-8 pm.
CSUC AGES - Association of Geology and Environmental Students will explain the scientific method, demonstrate the Chico Science Fair format for projects and provide a hands-on demonstration.

- **Thursday, January 22, 2009**

Chico Junior High School Library, 280 Memorial Way, 7-8:30 pm.
Marine biology PowerPoint slide show presented by Mary Anne Pella-Donnelly followed by a hands-on science activity.

- **Thursday, February 19, 2009**

Chico Public Library, Sherman Avenue, 4-6 pm.
Drop in and discuss your project or have it critiqued by a local scientist – projects may be complete or in progress.

Also please save the following date:

- **Saturday, January 10, 2009**

Chico Science Fair Fundraiser, Chico State campus BMU, 7pm. North state film premiere showcasing the history of the telescope, celebrating its 400th birthday.
Updated information will be available on the Chico Science Fair Web site very soon.
