

Computer Information Systems

Business Administration Minor

Other Requirements

- 1 CSCI 110 or 114
- 2 MATH 105 and MATH 109
- 3 Business Administration Minor

6 courses selected from:

Choose courses from the Database/ERP, Networking, Systems, Web, or Computer Science listings below. A minimum of one course must be from the Networking selections. A minimum of one course must be from the Web selections.

NOTE that prerequisites for the MINS courses are waived for CIS students, but course content is unchanged.

Database/ERP:

- BSIS 420 ERP: Systems Config and Use
Prerequisites: MINS 350, permission of instructor.
- BSIS 524 Business Programming with ABAP
Prerequisites: CSCI 111, permission of instructor; either BSIS 420 or MINS 522.
- CSCI 570 Advanced Database Mgmt Systems
Prerequisites: CSCI 470 or MINS 235.
- MINS 335 Database Application Dev
Prerequisites: BSIS 301, MINS 235.
- MINS 522 ERP: Systems Adm
Prerequisites: Concurrent enrollment in or prior completion of MINS 345 and instructor permission.
- MINS 535 Database Administration
Prerequisites: MINS 335 and instructor permission.

Networking:

- CSCI 346 Intro to Computer Netwks/Mgmt
Prerequisites: CSCI 111.
- CSCI 546 Adv Network Management
- CSCI 547 Computer Networks
Prerequisites: CSCI 340.
- MINS 345 Distributed Systems Management
Prerequisites: BSIS 301, MINS 245.
- MINS 545 Adv Distributed Systems Mgmt
Prerequisites: MINS 345 and permission of instructor.

Systems:

- CSCI 344 UNIX Power Utilities Shell Prg
- CSCI 444 Fundamental UNIX System Admin.
Prerequisites: CSCI 344 or permission of instructor.
- CSCI 540 Multi-User Operating Systems
Prerequisites: CSCI 340 or permission of instructor.
- CSCI 542 Systems Design
Prerequisites: CSCI 330.

Web:

- APCG 360 Web Page Design
Prerequisites: CSCI 111.
- CDES 322 Advanced WWW Design & Publish
Prerequisites: CDES 222.
- CDES 323 Human Interface Design
Prerequisites: CDES 222.
- CSCI 465 Web Programming Fundamentals
Prerequisites: CSCI 311.
- CSCI 511 Object-Oriented Programming
Prerequisites: CSCI 311.
- MINS 546 E-Com & Client Server Comptng
Prerequisites: MINS 350; prior completion or concurrent enrollment in MINS 345.

Computer Science:

Any 400-level Computer Science course approved by adviser.
